

Waypoint[®] Post Caps

Get Noticed

TURN AN ORDINARY FENCE INTO AN EXTRAORDINARY FENCE WITH WAYPOINT® POST CAPS.

Waypoint® post caps are the industry's top-selling caps; take one look at the range of cap options and their superior design, and it's easy to see why. Waypoint® post caps don't simply cap a project, they enhance it; transforming an ordinary fence into something special. The classic profile and three available base colors mean there's a look to fit any project.

Waypoint® post cap tops are durable and easy to install; simply secure the metal tops to the caps with Waymark glue or use silicone to secure the stained glass caps.

With the Waypoint® program, you can choose your own post cap tops to fit our popular four- and five-inch Classic PVC post caps. From stained glass to metal tops available in copper, black, or stainless steel, our Waypoint® tops offer true design freedom.
